

Grease Filter Kitchen Exhaust Filters

Description:

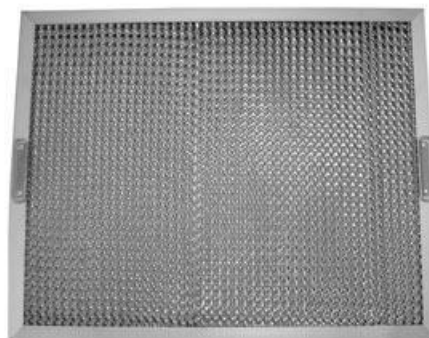

Advance Filtration Group manufactures a wide range of kitchen exhaust filters in almost any size requested.

Maintenance:

- Filters must be cleaned regularly.
- There are many change-over filter service companies that will do this for you.

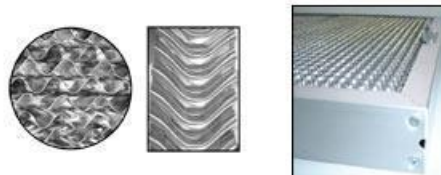

Honeycomb Filters:

- Available in aluminium or stainless steel.
- Filters are made from Robust Aluminium Extruded Frame.
- Inserts are made from aluminium coil crimped to a herringbone honeycomb pattern.
- Non-standard sizes available upon request

Baffle Filters:

- Available in aluminium or stainless steel
- Baffle filters are designed to give safe, dependable positive flame barrier protection
- Non-standard sizes available upon request
